Additional information:

There are five different hand brake applications to the 751000 series cars. These are:

751000-751099	Ajax geared power hand brake	* None
751100-751299	Peacock geared power hand brake	* 178
751300-751399	National Champion vertical hand brake	* 322, 390
751400-751699	Unidentified NM&SC^ vertical hand brake	* 472, 477, 483, 529, 560, 630
751700-751999	Klasing geared power hand brake	* 828, 940

* Dealing with the wood floor cars only, a few cars are listed in each of the ORERs from October 1950 through January 1958 as being in service at every one of those dates. This should help those modeling in the 1950s choose a valid car number.

^ National Malleable & Steel Castings Company manufacturer. Brand name, if any, unknown.
